FROM: Jean S. Fraser, Chief, Health System
Stephen Kaplan, Interim Director, Behavioral Health and Recovery Services

SUBJECT: Agreement with R House

RECOMMENDATION:

Adopt a Resolution authorizing the:

- 1) President of the Board to execute an Agreement with R House for the provision of Day Treatment Rehabilitation Services, medication support services, and other mental health services for the term July 1, 2011 through June 30, 2012, for a maximum obligation of \$126,590; and

BACKGROUND:

R House, based in Santa Rosa, California, provides Day Rehabilitation services (five days/week), medication support services, and mental health services to San Mateo County youth placed in its program.

Under the B-1 Administrative Memorandum, selection of providers of mental health services for clients placed in out-of-county facilities by other agencies is exempt from the Request for Proposals (RFP) process requirement. That exemption applies to the provision of Day Rehabilitation services. Clients were placed by the San Mateo County Probation Department.

DISCUSSION:

Contractor will provide Day Treatment Rehabilitation Services, medication support services, and mental health services for San Mateo County youth.

The Agreement and Resolution have been reviewed and approved by County Counsel. The Contractor's insurance has been reviewed and approved by Risk Management.

The Contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits.

The Agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing mental health services to seriously emotionally disturbed youth. Behavioral Health and Recovery Services (BHRS) provides a range of services to promote wellness and recovery and to support consumers remaining in the lowest possible level of care. The provision of Day Treatment Rehabilitation services for youth is one established level of care. The services provided contribute to this measure. It is anticipated that 76% of clients who receive Day Treatment Rehabilitation Services will be maintained at a current or lower level of care.

Performance Measure:

Measure	FY 2010-11 Estimate	FY 2011-12 Projected
Percentage of clients maintained at current or lower level of care.	76%	76%

FISCAL IMPACT:

The term of the Agreement is July 1, 2011 through June 30, 2012, and the maximum obligation is \$126,590. Of that amount, it is anticipated that \$37,407 will be funded by Medi-Cal, and \$89,183 will be funded by funds provided by the County Office of Education. There is no Net County Cost. Funds for these services have been included in the BHRS FY 2011-12 Recommended Budget.

Election of Third Party Billing Process**

San Mateo County Health System is required to bill all other insurance (including Medicare) before billing Medi-Cal for beneficiaries who have other coverage in addition to Medi-Cal. This is called "serial billing." All claims sent to Medi-Cal without evidence of other insurance having been billed first will be denied.

In order to comply with the serial billing requirement you must elect which of the two following options to use in our contract with you. In either case, you will need to establish the eligibility of your clients through the completion of the standard form (Payor Financial Form) used to collect this information. Please select and complete one of the two options below:

Option One

Our agency will bill other insurance, and provide San Mateo County Behavioral Health and Recovery Services (BHRS) with a copy of the Explanation of Benefits provided by that insurance plan before billing SMCBHRS for the remainder.

We R House elect option one.

Signature of authorized agent

Name of authorized agent

Telephone number

Option Two

Our agency will provide information to San Mateo County Behavioral Health and Recovery Services (BHRS) so that BHRS may bill other insurance before billing Medi-Cal on our agency's behalf. This will include completing the attached client Payor Financial Form and providing it to the BHRS Billing Office with the completed "assignment" that indicates the client's permission for BHRS to bill their insurance.

We R House elect option two.

Please note if your agency already bills private insurance including Medicare for services you provide, then you must elect Option One. This is to prevent double billing. Please return this completed form to:
