DATE: June 8, 2011
BOARD MEETING DATE: June 21, 2011
SPECIAL NOTICE/HEARING: None
VOTE REQUIRED: Majority

TO: Honorable Board of Supervisors

FROM: Jean S. Fraser, Chief, Health System
Lisa Mancini, Director, Aging and Adult Services

SUBJECT: Agreement with Casa Colina Rehabilitation Centers/Padua Village

RECOMMENDATION:

Adopt a Resolution authorizing the:

- A) President of the Board to execute an Agreement Superseding Agreement 57000-11-C226 with Casa Colina Rehabilitation Centers/Padua Village for non-medical long-term living services in the total amount of \$250,000 for the term of May 1, 2011 through June 30, 2012; and
- B) Chief of the Health System or designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions

BACKGROUND:

Since December 17, 1985, your Board has approved resolutions authorizing expenditures for residential care facilities serving mentally ill clients. Under the B-1 Administrative Memorandum, the selection of providers for residential services for mental health clients is exempt from the Request for Proposals requirement. Casa Colina Centers for Rehabilitation/Padua Village is a board and care facility that specializes in caring for brain injured patients.

The San Mateo County Public Guardian's Office (PG) is required to place conservatees in the lowest level of care that is appropriate to the conservatees' needs. This facility offers a community/work environment where conservatees can thrive while receiving specialized assisted living services based on each conservatees' needs. Without the services provided through Casa Colina, these conservatees would need to be placed in a locked facility such as a skilled nursing facility or an acute psychiatric facility. Casa Colina has successfully cared for one of the PG conservatees with challenging behavioral issues for 12 years. This conservatee was able to pay the facility privately until recently when resources ran out.

On April 26, 2011, the County Manager approved Agreement 57000-11-C226 for the provision of long-term care services in the amount of \$50,000 for the term October 1, 2010 through August 31, 2011, in order to assist with the payment to the facility and to allow the conservatee to remain at the facility.

DISCUSSION:

Approval of this Agreement allows the conservatee to remain at Casa Colina. The Agreement also provides the opportunity for Aging and Adult Services (AAS) to place other conservatees at Casa Colina when appropriate for their specific needs.

The cost of placement is covered by the conservatee's income and by a special PG fund for the benefit of conservatees. The PG recently received a settlement to be used, at the PG's discretion, to directly benefit San Mateo County PG conservatees. The PG will use funding from the settlement to pay this facility the difference between the cost of the placement and the amount that the conservatee can pay in monthly benefit income in order to allow the conservatee to remain at the facility.

The Agreement and Resolution have been reviewed and approved by County Counsel. The Contractors' insurance has been reviewed and approved by Risk Management. The Contractor assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits.

This Agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by allowing AAS to continue to provide services that allow at-risk individuals to remain in the least restrictive setting possible. It is anticipated that 95% of at-risk individuals will be maintained in a least restrictive setting through case management.

Performance Measure:

Measure	FY 2010-11 Estimated	FY 2011-12 Projected
Percent of at-risk individuals maintained in a least restrictive setting through case management	95%	95%

FISCAL IMPACT:

The term of this Agreement is May 1, 2011 through June 30, 2012. The maximum fiscal obligation is \$250,000. There is no Net County Cost associated with this action. Funds are provided through a settlement obtained by the PG and are managed outside of the AAS General Fund Budget.
