Inter-Departmental Correspondence
Health System

DATE: June 21, 2011
BOARD MEETING DATE: July 26, 2011
SPECIAL NOTICE/HEARING: None
VOTE REQUIRED: Majority

TO: Honorable Board of Supervisors

FROM: Jean S. Fraser, Chief, Health System
Stephen Kaplan, Interim Director, Behavioral Health & Recovery Services *SK 6/30/11*

SUBJECT: Agreement with California Psychiatric Transitions

RECOMMENDATION:

Adopt a Resolution authorizing the:

- A) President of the Board to execute an Agreement with California Psychiatric Transitions for the provision of mental health rehabilitation services for the period July 1, 2011 through June 30, 2014, for a maximum obligation of \$2,460,900; and
- B) Chief of the Health System or designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions.

BACKGROUND:

California Psychiatric Transitions (CPT) is located in Delhi, California, and is one of a very limited number of Mental Health Rehabilitation Centers (MHRC) that specialize in working with people who are dually diagnosed as seriously mentally ill and developmentally disabled or brain injured. CPT offers specialized services that meet the need Behavioral Health and Recovery Services (BHRS) clients have for placement at a lower level of care following hospital discharge. BHRS does not have the capacity to provide long-term locked placement services, and has contracted with CPT for these services since FY 2002-03. Under the B-1 Administrative Memorandum the selection of providers of these locked placement services is exempt from the Request for Proposals requirement.

DISCUSSION:

The maximum number of beds available to San Mateo County residents at CPT is eight. In order to provide the flexibility needed to place clients in the most appropriate and cost effective facility, more MHRC beds are contracted than are actually used system wide. Only occupied beds are paid for by the County. BHRS manages the placements in this and other adult and older adult long term residential service facilities within the total

budget available for these services.

The Agreement and Resolution have been reviewed and approved by County Counsel. The Contractor's insurance has been reviewed and approved by Risk Management.

The Contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits.

The Agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing mental health rehabilitative services for the treatment of severely mentally ill San Mateo County residents. BHRS provides a range of services in order to promote wellness and recovery and to support consumers at the lowest possible level of care. The provision of locked facility long-term care services is one established level of care. The services provided contribute to this measure. It is anticipated that 79% of clients that receive services shall remain at the current or lower level of care.

Performance Measure:

Measure	FY 2010-11 Estimate	FY 2011-12 Projected
Percentage of clients maintained at current or lower level of care.	79%	79%

FISCAL IMPACT:

The term of the Agreement is July 1, 2011 through June 30, 2014. The Agreement maximum is \$2,460,900 for the three-year term. The budgeted maximum for FY 2011-12 is \$820,300. Of that amount, sales tax through Realignment will cover \$738,270 and Net County Cost is \$82,030. The revenues and expenditures are included in the BHRS FY 2011-12 Recommended Budget. Similar arrangements will be made for subsequent years.

The duty of Contractor to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. Assignability and Subcontracting

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by contractor under this Agreement without the prior written consent of County. - (2) **Liability Insurance** The Contractor shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from contractors operations under this Agreement, whether such operations be by himself/herself or by any sub-contractor or by anyone directly or indirectly employed by either of them. Such insurance shall include:

(a) Comprehensive General Liability	\$1,000,000
(b) Motor Vehicle Liability Insurance	\$1,000,000
(c) Professional Liability	\$1,000,000

County and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to the County, its officers, agents, employees and servants shall be primary insurance to the full limits of liability of the policy, and that if the County or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the County of San Mateo at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

10. Compliance with laws; payment of Permits/Licenses

All services to be performed by Contractor pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County, and municipal laws, including, but not limited to, Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, and the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended and attached hereto and incorporated by reference herein as Attachment "I," which prohibits discrimination on the basis of handicap in programs and activities receiving any Federal or County financial assistance. FY 2011-14

In full consideration of the payment herein provided for, Contractor shall provide the services described below in a manner consistent with the terms and provisions of this Agreement.

I. BEHAVIORAL HEALTH AND RECOVERY PROGRAM SERVICES

For the term of this Agreement as herein specified, Contractor shall provide to the Behavioral Health and Recovery Services (BHRS) Division bed space and services for San Mateo County residents who are seriously mentally ill and in need of mental health rehabilitation, treatment and long term care.

A. Admissions

All admissions shall be subject to screening procedures and standards mutually agreeable to Contractor and Chief of the Health System, subject to the provisions of Paragraph I.B. of this Exhibit A.

The admission of all persons receiving services under this Agreement must receive the approval of the Chief of the Health System or designee. A signed authorization form shall indicate such approval.

B. Patient Eligibility

All admissions are subject to prior authorization by County. The following individuals shall be considered acceptable for admission:

1. Individuals with a DSM-IV diagnosis in need of twenty-four (24) hour skilled nursing services; and
2. Individuals, who may have histories of and, without adequate treatment, are at risk of displaying behavioral symptoms (such as combativeness, elopement risk, suicide risk, and excessive verbal abusiveness), which preclude them from being admitted into a lower level care facility.

Frequency of these behaviors is a determining factor to be negotiated on an individual patient basis between County and Contractor. County may grant individual exceptions to these admission criteria. It is agreed by County and Contractor that individuals whose mental illness is deemed appropriate for acute care, as well as individuals suffering exclusively from developmental disability, mental retardation, or physical illnesses (without a psychiatric component), shall not be considered for admission.

Contractor shall provide the basic services for all clients in compliance with Title 22 of the California Code of Regulations, Section 72445, or Title 9 of the California Code of Regulations, which includes life skills training, money management, training on accessing community services, transitional programs, and discharge planning with County staff. DTU	\$750/day	Disruptive Treatment Unit provides intensive services
1:1 Supervision	\$30/hour	Focused supervision charged at an hourly rate in addition to the daily rate, preauthorized by County Program Manager.

The County shall review clients monthly. Service levels will be adjusted according to the level of care required. BHRS clients shall not be moved to a higher level of service without the approval of the Chief of the Health System or designee.

D. Reporting

- D. Per DMH letter #84-10, this negotiated rate contract will require no cost reconciliation.
- E. County anticipates the receipt of revenues from various sources to be used to fund services provided by Contractor through this Agreement. Should planned or actual revenues be less than the amounts anticipated at the time of the signing of this Agreement, the maximum payment obligation and/or payment obligations for specific services may be reduced at the discretion of the Chief of the Health System or designee.
- F. The Chief of the Health System or designee is authorized to execute subsequent amendments and minor modifications not to exceed \$25,000 in aggregate and to make minor changes in the types of services and activities provided under the agreement.

Any unspent monies due to performance failure may reduce the following year's agreement, if any.
- H. In the event Contractor claims or receives payment from County for a service, reimbursement for which is later disallowed by County or the State of California or the United States Government, then Contractor shall promptly refund the disallowed amount to County upon request, or, at its option, County may offset the amount disallowed from any payment due or become due to Contractor under this Agreement or any other agreement.
