

COUNTY OF SAN MATEO
Inter-Departmental Correspondence
Health System

DATE: November 16, 2011
BOARD MEETING DATE: December 13, 2011
SPECIAL NOTICE/HEARING: None
VOTE REQUIRED: Majority

TO: Honorable Board of Supervisors

FROM: Jean S. Fraser, Chief, Health System
John Conley, Director, Public Health

SUBJECT: Agreements with Local Hospitals and Healthcare Facilities Participating
in the National Bioterrorism Hospital Preparedness Program

RECOMMENDATION:

Adopt a Resolution:

- A) Waiving the Request for Proposals process and authorizing the President of the Board to execute Agreements with Seton Medical Center, Seton Medical Center–Coastside, Sequoia Hospital, Menlo Park Surgical Hospital, Ravenswood Family Health Center, Mills–Peninsula Health Services–Peninsula Medical Center, Mills–Peninsula Health Services–Mills Health Center, and Stanford Hospital and Clinics to participate in the National Bioterrorism Hospital Preparedness Program for the period of September 1, 2011 through August 31, 2014, for a maximum obligation of \$298,500 in aggregate for these and all other hospitals and healthcare facilities in the County that contract with Public Health to participate in the National Bioterrorism Hospital Preparedness Program;
- B) Authorizing the Chief of the Health System or designee to execute agreements to add other hospitals and/or healthcare facilities who desire to contract with Public Health to participate in the National Bioterrorism Hospital Preparedness Program; and
- C) Authorizing the Chief of the Health System or designee to execute contract amendments which modify the County's maximum fiscal obligation by no more than \$25,000 (in aggregate), and/or modify the contract term and/or services so long as the modified term or services is/are within the current or revised fiscal provisions.

BACKGROUND:

The Hospital Preparedness Program (HPP) is a series of grants awarded to Public Health by the California Department of Public Health. The majority of the funding is passed-through to participating healthcare facilities to enable them to enhance hospital

preparedness for public health emergencies. Public Health oversees the grant for the participating healthcare facilities, and provides contract administration.

DISCUSSION:

The California Department of Public Health has awarded San Mateo County Public Health HPP funding for the current fiscal year. The County is passing these funds on to healthcare facilities to cover staff release time for training and exercises for the Hospital Incident Command System, Hazmat for Healthcare, Psychological First Aid, and the Statewide Medical & Health Exercise. The funds will also be used for purchasing supplies and equipment to complement the training and improve upon healthcare surge capacity. San Mateo Medical Center (SMMC) participates in this program through a memorandum of understanding between Public Health and SMMC. Kaiser Hospital South San Francisco and Kaiser Hospital Redwood City will participate at a later date when their documentation is complete.

A Request for Proposals waiver is requested for hospitals and healthcare facilities in the County participating in the Hospital Preparedness Program. All hospitals and healthcare facilities in the County are notified of this opportunity and have the option to participate.

The Agreements and Resolution have been reviewed and approved by County Counsel. The Contractors' insurance has been reviewed and approved by Risk Management. The contractors have assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, non-discrimination and equal benefits. The Agreements are late due to difficulties coordinating all the hospitals.

The Agreements contribute to the Shared Vision 2025 outcome of a Healthy Community by providing funds to continue to plan for public health emergency preparedness and other emerging public health threats to San Mateo County. It is anticipated that 100% of key hospital groups will attend hospital emergency preparedness training.

Performance Measure:

Measure	FY 2010-11 Actual	FY 2011-12 Projected
Percent of key hospital groups that have attended hospital emergency preparedness training.	100%	100%

FISCAL IMPACT:

The term of the Agreements is September 1, 2011 through August 31, 2014. The maximum amount is \$298,500 for the three year term. The maximum amount for FY 2011-12 is \$99,500 which is the aggregate amount for all contracted hospitals. Funds have been included in the Public Health FY 2011-12 Adopted Budget. There are no separate contract maximums for individual hospitals. There is no Net County Cost associated with the Agreements. Similar arrangements shall be made for FY 2012-13 and FY 2013-14.

Any such assignment or subcontract without the County's prior written consent shall give County the right to automatically and immediately terminate this Agreement.
