

In Partnership with San Mateo County

Cañada College & California State University East Bay are bringing a Health Sciences Bachelor's Degree on-site at Cañada College starting in Fall, 2008.

This opportunity provides:

- **Accessibility** – Coursework offered at Cañada College and/ or on-line
- **Accelerated** – Carefully designed, set curriculum can be completed in 2 or 2 ½ years
- **Flexibility** – Work full-time while attending three classes a quarter
- **Supportive Learning Environment** – Join a small cohort of students at Cañada College with similar backgrounds and receive individualized instruction and one-on-one advising, as well as telephone/email advising

In addition to the County's informational sessions, Cañada is conducting informational sessions on *Wednesday, February 6 at 6:00 p.m* and *Thursday, February 7 at 6:00 p.m.* at the Cañada College Library, 4200 Farm Hill Boulevard, Redwood City
